

PRIX DE BELGIQUE – AMÉRIQUE RACES Q#6 : THE RUNNERS

The **Prix de Belgique - Amériq ue Races Q#6** will offer an exciting show on Sunday 12th January at Paris-Vincennes. This prestigious trotting event will see top champions fiercely compete for one of the four final spots of the **Amériq ue Races**, including the famous **Prix d'Amériq ue Legend Race**, just a fortnight away.

A repeat performance of the Grand National du Trot Final on the cards ?

The **Prix d'Amériq ue Legend Race**, the Sulky World Championship on 26th January, followed by the **Prix de France Speed Race** and the **Prix de Paris Marathon Race** will open their doors to the cracks who finish in the first four places in the **Prix de Belgique - Amériq ue Races Q#6**. **It's A Dollarmaker** and **Iroise de la Noé** are the hot contenders in this final qualifier. The former has won two races in a row, including the Final of the **Grand National du Trot**.

Idéal Ligneries also stands a strong chance, who finished third behind them on December 1st despite starting 25 metres back. Seventh in the **Prix de Bourgogne - Amériq ue Races Q#5**, this talented protégé of Jean-Philippe Monclin has the potential to achieve another podium finish in this critical final qualifier.

Hooker Berry, the most successful

As the richest of the 15 contenders, **Hooker Berry** is none other than the winner of the **Prix d'Amériq ue Legend Race 2023**. The resident and partner of Nicolas Bazire was in superb shape in the **Prix de Bretagne - Amériq ue Races Qualif #1** and will be keen to prove his ambition 15 days before the world summit.

No pressure...

Justin Bold and **Just Love You** are among the protagonists who have already qualified for the Finals and have therefore perfectly fulfilled their mission. Other trotting stars have yet to win the precious sesame, despite being tipped to play a key role in the **Amériq ue Races**. **Ampia Mede SM**, **Inmarosa** and **Don Fanucci Zet** also fall into this category and will need to deliver flawless performances on Sunday to keep their hopes for the Finals alive.

The outsiders to watch

This Group II could reveal some huge surprises. A close eye should be kept on **Happy Danica**, **Mister Hercules**, **Juninho Dry**, **J'Aime le Foot** and **Harley Gema**.
