The Société du Trotteur Français is the parent Trot-racing Organization in France. Its primary purpose is to organise and promote Trot racing in France while fostering the development of the breed «Trotteur Français» and its intrinsic traits. In 2022, more than 11,000 Trot races were run in France on 217 racecourses.

The Société du Trotteur Français manages five main trot-sites: Paris-Vincennes, Enghien, Caen and Cabourg racecourses, as well as the International Training Center of Grosbois, in the Val de Marne.

The Société du Trotteur Français organises some of the world's biggest competitions (the Cornulier Races (saddle) and the Amerique Races) and two World Championships in trotting (Prix de Cornulier, Prix d'Amérique).

PRIX D'AMÉRIQUE **LEGEND RACE**

Created in 1920 as a tribute to the United States for their engagement with France in WW.I. Each year, the **Prix d'Amérique** crowns the world's Sulky best trotters for a not-to-be-missed rendez-vous.
